12. Specify every ground on which you claim that you are being held unlawfully, by placing a check mark on the appropriate line(s) below and providing the required information. Include all facts. If necessary, you may attach pages stating additional grounds and the facts supporting them.

GROUNDS OF PETITION

Listed below are the possible grounds for relief under Rule 32. Check the ground(s) that apply in your case, and follow the instruction under the ground(s):

☐ A. *The Constitution of the United States or of the State of Alabama requires a new trial, a new sentence proceeding, or other relief.*

For your information, the following is a list of the most frequently raised claims of constitutional violation:

- (1) Conviction obtained by plea of guilty which was unlawfully induced or not made voluntarily with understanding of the nature of the charge and the consequences of the plea.
- (2) Conviction obtained by use of coerced confession.
- (3) Conviction obtained by use of evidence gained pursuant to an unconstitutional search and seizure.
- (4) Conviction obtained by use of evidence obtained pursuant to an unlawful arrest.
- (5) Conviction obtained by a violation of the privilege against self-incrimination.
- (6) Conviction obtained by the unconstitutional failure of the prosecution to disclose to the defendant evidence favorable to the defendant.
- (7) Conviction obtained by a violation of the protection against double jeopardy.
- (8) Conviction obtained by action of a grand or petit jury which was unconstitutionally selected and impaneled.
- (9) Denial of effective assistance of counsel.

This list is not a complete listing of all possible constitutional violations.

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each constitutional violation that you claim, whether or not it is one of the nine listed above, and include under it each and every fact you feel supports this claim. Be specific and give details.

☐ B. *The court was without jurisdiction to render the judgment or to impose the sentence.*

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each and every fact you feel supports this claim. Be specific and give details.

☒ C. *The sentence imposed exceeds the maximum authorized by law, or is otherwise not authorized by law.*

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each and every fact you feel supports this claim. Be specific and give details.

☐ D. *Petitioner is being held in custody after his sentence has expired.*

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each and every fact you feel supports this claim. Be specific and give details.

E. Newly discovered material facts exist which require that the conviction or sentence be vacated by the court, because:

The facts relied upon were not known by petitioner or petitioner's counsel at the time of trial or sentencing or in time to file a post-trial motion pursuant to Rule 24, or in time to be included in any previous collateral proceeding, and could not have been discovered by any of those times through the exercise of reasonable diligence; and

The facts are not merely cumulative to other facts that were known; and

The facts do not merely amount to impeachment evidence; and

If the facts had been known at the time of trial or sentencing, the result would probably have been different; and

The facts establish that petitioner is innocent of the crime for which he was convicted or should not have received the sentence that he did.

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each and every fact you feel supports this claim. Be specific and give details.

F. The petitioner failed to appeal within the prescribed time and that failure was without fault on petitioner's part.

If you checked this ground of relief, attach a separate sheet of paper with this ground listed at the top of the page. On this separate sheet of paper list each and every fact you feel supports this claim. Be specific and give details.

13. IMPORTANT NOTICE REGARDING ADDITIONAL PETITIONS RULE 32.2(b) LIMITS YOU TO ONLY ONE PETITION IN MOST CIRCUMSTANCES. IT PROVIDES:

“Successive Petitions. The court shall not grant relief on a second or successive petition on the same or similar grounds on behalf of the same petitioner. A second or successive petition on different grounds shall be denied unless the petitioner shows both that good cause exists why the new ground or grounds were not known or could not have been ascertained through reasonable diligence when the first petition was heard, and that failure to entertain the petition will result in a miscarriage of justice.”

A. Other than an appeal to the Alabama Court of Criminal Appeals or the Alabama Supreme Court, have you filed in state court any petition attacking this conviction or sentence?

Yes ☐ No ☐

B. If you checked "Yes," give the following information as to earlier petition attacking this conviction or sentence:

(a) Name of court _____

(b) Result

(c) Date of result

(attach additional sheets if necessary)

C. If you checked the "Yes" line in 13A, above, and this petition contains a different ground or grounds of relief from an earlier petition or petitions you filed, attach a separate sheet or sheets labelled: "EXPLANATION FOR NEW GROUND(S) OF RELIEF."

On the separate sheet(s) explain why “good cause exists why the new ground or grounds were not known or could not have been ascertained through reasonable

diligence when the first petition was heard, and [why the] failure to entertain [this] petition will result in a miscarriage of justice."

14. Do you have any petition or appeal now pending in any court, either state or federal, as to the judgment under attack?

Yes _____ No ☒

15. Give the name and address, if known, of each attorney who represented you at the following stages of the case that resulted in the judgment under attack:

(CC-2018-1033)

The case action summary that is included will reflect that defendant's sentence is/was a split sentence. Defendant was imposed on 11-01-2019 to 8 months confinement with 89 months remaining, Suspended. Defendant was imposed again on 8-3-2021 to a full 97 months. Defendant claims plain error and ineffective assistance of counsel. This error was very obvious and ultimately caused injury to defendant and deprived defendant of his liberty. There is also a "breach" of plea agreement, included.

Shant, I was wondering if it would help you if we had your sentence imposed to run concurrent with CC-18-358. Your probation was never revoked in case # CC 18-1033 (see enclosed sentencing order). I looked on the DOC website and it looks like you are not getting any good time etc on case # CC 18-1033. Also the DA's office has requested case # DC-20-125 be Nolle prossed & that motion was granted. (see enclosed order) that's the 1 pill case. I have emailed the DA's office about having the escape case Nolle prossed as well. (DC-20-35).

Sincerely,

Temberly Sledge

OK. update: Since I began writing this letter I have spoken w/ Coty Hand and we have had the other case ^(the escape case) Nolle prossed. I think you need to have your sentence imposed on CC 18-1033. Why don't you speak w/ a classifications officer to make sure that's what you want to do. If you choose to be imposed please sign the affidavit and return it. If we have it imposed you will be eventually released and have no further obligations as to probation on that case. If you are "on paper" in that case. If you choose to have sentence imposed have a Notary public and return to me. T.S.
